Dear Claims Adjuster;

I represent the client in the above claim. Attached is the associated police report. Please confirm in writing as soon as possible if your insurance company is going to deny or accept liability. Importantly, please send me a copy of the following items:

1. your insured's declaration page;
2. all photographs of any vehicle involved in this collision;
3. all documents used to support your evaluation of the claim, if any;
4. all recorded/witness statements taken from any person with knowledge of relevant facts;
5. all settlement agreements made under this claim;
6. total number of claimants to date on this claim; and
7. contact information for any person who may be designated as a responsible third party.

I do not represent the client for the property damage claim, so you have my permission to discuss the property damage claim with the vehicle owner. Do not discuss injuries, how the collision occurred, or anything related to the occurrence or facts of this claim other than settling the property damage claim. My client will not be held responsible for any storage or fees related to the vehicle; your insurance company is responsible for removing it.

As this claim evolves, please update me with the above information as it becomes available. I communicate best by email so feel free to contact me at [fernando@lealcalandralegal.com](mailto:fernando@lealcalandralegal.com) if you have any questions or concerns. Please let me know if there is anything you need from me to better evaluate and determine liability. I look forward to working with you towards an amicable resolution of this claim.

CORDIALLY,

/s/ *Fernando A. Leal-Calandra*
